

STORY BOARD

Wire Frame-

Web-Pages:

Home/Index- The purpose of the page is to welcome the user to my portfolio.

Personality- This page's purpose is to give insight into who I am as a person and to show who I use to influence and motivate me

Professional- This page is used to show where I see myself in the future, what my dream job requires of me, my professional goal and what I vow to do to reach it.

About Me- This page is used to give a bit about my backstory and to let the reader feel like they know me a little.

Personal Development- I use this page to share my thoughts on a few chapters of the book "Twelve Pillars" and share what I plan to use the information learnt from the book to gain success for myself.

Story Board- This page's purpose is to allow for the story board pdf to be downloaded.

Theme:

The theme of my portfolio is “calm night”, I want the portfolio to give off a sense of calm to the user. The dark tones are used to make the viewing experience as easy as possible.

Features:

- Static images
- Interactive image
- Video
